TO WHOMSOEVER IT MAY CONCERN

We certify that RUD India chain Pvt Ltd for its successful completion of Engineering, supply, Erection and commissioning of 45 TPH Submerged Scraper Chain Conveyor for our 150 MW Thermal power plant at Paloncha.

RUD India had proposed robust design considering the space constraint in existing Power plant and meet our requirement. The cooperation provided by RUD Engineer, Mr. Yatin Fulpagare was good to meet our expectation.

The commissioned Submerged Scraper chain conveyor is running satisfactorily.

With Regards,
